Dear Parent/Guardian/Staff:

Please notify the School Nurse and Principal if you or anyone in your household has tested positive for Covid-19 or was exposed by someone who has tested positive of Covid-19, immediately. As the School Nurse, I must follow DHEC protocol and regulations. Anyone who has tested positive or exposed to someone who has tested positive must have a negative Covid-19 test before entering back into the schools. The negative test result must be given to the School Nurse. Please continue to keep our schools and community safe. Thank you for all that you do. If there are any questions or concerns, please call me at 803-284-5810

Thank you,

Taneeka Ford RN
